

Dear Parents of the Class of 2011,

As parents of high school students, you are acutely aware of the high cost of the activities that all senior classes incur. Rowlett High School would like to make senior activities available and affordable to every student. We can do this very easily.

The contract is setup so that your senior activities can be paid for in installments. This will help students and parents so the whole amount will not be due at one time. You sign-up and pay for the activities that you want to participate in, with the option of adding additional tickets at the contract price. Paying the contract off by February 28, 2011, entitles you to a discount on the total price of the activities. Without the contract, there would have to be numerous fundraising activities over the next three years.

**Included in the contract are the following:**

**Prom**-The biggest and most elegant of all senior activities, the prom price includes: the dance, casino party, buffet and door prizes.

**Senior Brunch**- A gathering of family and friends to reflect and celebrate this special time in your child's life. This event will be held on a Saturday in May and will include brunch, entertainment, presentation of the senior video, and much more.

**Senior Day**- An all day casual gathering, on a school day, where RHS senior class members enjoy sharing time together in an outdoor setting. A committee of students and parents will determine the location. Previous selections have included Six Flags or a day at a Dude Ranch.

**Senior Video**- A photographic collection of memories set to music. We will be requesting a baby picture and a current picture of each senior and any other special photos you would like to include. Group photos from elementary, middle, and high school are great.

**Senior Gift**- It is a RHS tradition that the senior class leaves a gift to the school when they graduate. A committee will select the gift. Past gifts have been a brick sign, mosaic emblem in the front hallway and a stain glass for the offices.

On the next page, you will see a breakdown of the cost of senior activities included. The types of activities may vary and will be decided on at a later date. All activities will be based on the number of participating students at the end of the sophomore year.

Note the number of tickets you wish to purchase for each event; calculate the total contract amount; sign and date the contract and return it to one of the following staff sponsors:
