Types of Courses

- Academic Intervention Program(AIP)
 - This program is intended for students who are in critical need of credits or at risk of not graduating on time. These students will enroll in courses for credit recovery and/or original credit. The instruction is delivered through Plato and/or APEX software with a teacher available for assistance.
- Academic Advancement Program(AAP)
 - This program is intended for students who need to earn additional credits for graduation. These courses do not receive grade points and do not affect a student's GPA.
- SAT Prep Classes
 - Students will receive an elective credit @ \$125 (9th – 11th grades)
- TAKS Tutorials
 - Students will receive and elective credit – free (11th & 12th grades)
