

Face-to-Face Students - Mobile Device Usage and Support

Face-to-Face Students returning on Tuesday, September 8 will not be allowed to share devices or use any of the cart devices on campus. Teachers will receive a targeted list of Students that will be receiving a device next week.

Please begin to remind your Students to **bring their district issued Chromebook or iPad fully charged** to use every day in class **using the GISDWifi network. NO LOANER DEVICES PROVIDED!**

Students who are using a personal device, such as a laptop or tablet, will need to **bring their personal device fully charged** to use every day in class **using the GISDBYOD network. NO LOANER DEVICES PROVIDED!**

If a Student is not able to use their personal device on campus, in order to receive a district device, then their Skyward Commitment will need to be updated. Please contact the Sachse HS Data Clerk to make the update.

If there are students that do not have a district issued device or a personal device, a distribution plan will be followed to get devices to students. Per the District, seniors can only be issued an iPad. All other students will be issued a Chromebook.

If students requested a hotspot and have not received it yet, they are still on the District's hotspot waitlist. When hotspots are available, the student will be notified.
