

# Class of 2020 Graduation Mask Challenge

Garland ISD strongly encourages all graduation attendees to wear a mask, so let's get creative!

**Seniors**, show off your school spirit or reveal your future college, career or military plans.

**Families**, show your love and show you care by wearing matching masks or embellishing them with meaningful decorations.

Please note: standard graduation guidelines regarding appropriate dress and conduct are still in place. For additional graduation information, visit [garlandisd.net/graduation](http://garlandisd.net/graduation).

**Congratulations, Class of 2020!**  
**Resilient. Exceptional. Unstoppable.**
