RE: Summer Success with Imagine Learning

The following are two unique summertime challenges for all GISD students designed to strengthen literacy skills, math skills and prepare them for the upcoming 2021-2022 school year. Usage of the Imagine Learning suite will support individualized student growth.

Reach for the Gold Summer Intersession Contest

From June 14 through June 24, top classrooms and individual students reaching the Imagine Learning product benchmarks are eligible for Gold Medal prizes.

Summer Success with Imagine Learning Contest

From June 9th through July 16th, students reaching the benchmark goals for any of the Imagine Learning programs will be automatically entered to win an Imagine Learning Swag Bag and Fire Tablet.

ACTION: Please share this information with your campus teachers and students.

See the attached flyers with more information about Summer Success with Imagine Learning.
