Dear Parents of the Class of 2024,

Rowlett High School would like to make senior activities available and affordable to every student.

Every student must have a contract on file in order to participate in senior activities.

The senior contract is set up so that your student's activities can be paid in advance using installments. This will help with the expenses associated with senior year, instead of requiring everything to be paid for at once. You select and pay for the activities that you want to participate in early and save money, but still have the option of adding additional items later.

THE CONTRACT INCLUDES THE FOLLOWING:

Prom: The biggest and most elegant of all senior activities. The prom ticket price includes - the dance, food, and possible door prizes.

Senior Luncheon OR Picnic: A gathering of family and friends to reflect and celebrate this special time in your child's life. The event will be held on a Saturday or Sunday in April or May 202__ and will include lunch, entertainment, the presentation of the senior video and much more.

Senior Educational Field Trip: RHS senior class members enjoy sharing time together in an educational setting where they may learn and still have fun. Students will complete an assignment in conjunction with the field trip in the days following. This is usually held at Pinstack each year and includes lunch.

Senior Video and Gift: The **video** is a photographic collection of memories set to music. We will be requesting a baby picture and a current picture of each senior. Group photos from elementary, middle, and high school are great as well. It is a Rowlett High School tradition that the senior class leaves a **gift** to the school when they graduate. A committee of Class officers and RHS administrators will select the gift. Past gifts have been a brick sign, mosaic emblem in the front hallway and a stained glass window for the offices.

On the next page you will see a breakdown of the cost of each individual senior activity mentioned above. *The types of activities may vary and will be finalized at a later date.*

All activities will be based on the number of participating students at the end of the fall senior year.
