

# **GISD STEP GUIDELINES**

---

## **STEP CLASS OVERVIEW**

---

Step class is designed to provide students with step technique, physical conditioning, and knowledge of step history.

---

## **VIRTUAL LEARNING EXPECTATIONS**

---

- Students will follow all district guidelines that outline time logged into class, turning in assignments, and following appropriate online behavior.
  - Students will need to have an adequate space that will allow them to move, stretch, and step as they would in a gym, dance studio, or stage.
  - Students will need to wear comfortable and safe clothing that allows them to move freely.
  - Students will be expected to learn the same material as students who are in person. This will include learning steps, chants, and choreography.
  - Students will be expected to video themselves and submit it to the teacher for assessment purposes.
  - Students will submit assignments on time.
  - Students will email and stay in contact with the teacher regarding assignments and lessons.
  - Teachers will provide a syllabus with grading policy and classroom expectations.
  - The teacher must approve modifications to the expectations listed above.
- 

## **IN PERSON EXPECTATIONS**

---

- Students will follow all district guidelines regarding social distancing and face coverings.
- Students will not change clothes for class. They need to come to school with comfortable clothing that allows them to step, stretch, and move appropriately on the days they have step class.
- Students must wear shoes at all times.
- Students will sanitize hands as they enter and exit the classroom.
- If the step area has a restroom, only one student will be allowed in the restroom one at a time regardless of number of stalls.
- Students will perform steps/choreography or skills in front of the teacher and/or class for assessment purposes. Students will be videoing their steps and skills at times for assessment.
- Teachers will provide a syllabus with grading policy and classroom expectations.

- The teacher must approve modifications to the expectations listed above.
